

SUMMER SEMESTER 2020

Hello CPHS Students and Parents,

I hope that you are all safe, healthy, and well during these very strange times. It's hard to believe, but summer is right around the corner and we need to start preparing for the summer semester. Whether you always had a plan to reach ahead in a course or you now feel it is important to repeat a course, now is the time to start the process. Summer courses will run in the same way as they have done previously - all via online delivery.

Here's a little bit of information for you:

- Summer semester online courses will run from June 29th to July 27th.
- For online courses an orientation module will be available by June 23rd (but the official course will not be available until June 29th).
- Students may only register for one online credit course (the combination of 0.5 Careers and 0.5 Civics will be considered one credit).
- Students are expected to work between 3-5 hours every day to complete the course.
- Co-op and Cadet Co-op **will NOT** run this summer due to concerns over the Covid-19 situation.

For more information, please feel free to visit our Summer Semester Program at http://www.ucdsb.on.ca/programs_initiatives/school_programs_k-12/summer_semester_programs
